ゴオオオ
Damn...
Why now...
It got my arms...
crack
I've got you,
!?
Kyouko ooo!!
Sayaka?!
Yuesh

Sooorry! Did I keep you waiting?
Hey! You did. How long did you plan to take?!
I'm so hungry I'm about to die, got it?!
...Uh, if you say so.
Aah...
Want some?
It's fresh from the convenience store...
Is she making fun of me?!
友達だったらこれくらい
Guess you weren't kidding...
These side dishes are actually really good!
So~ tasty! It really has been forever since I last ate.

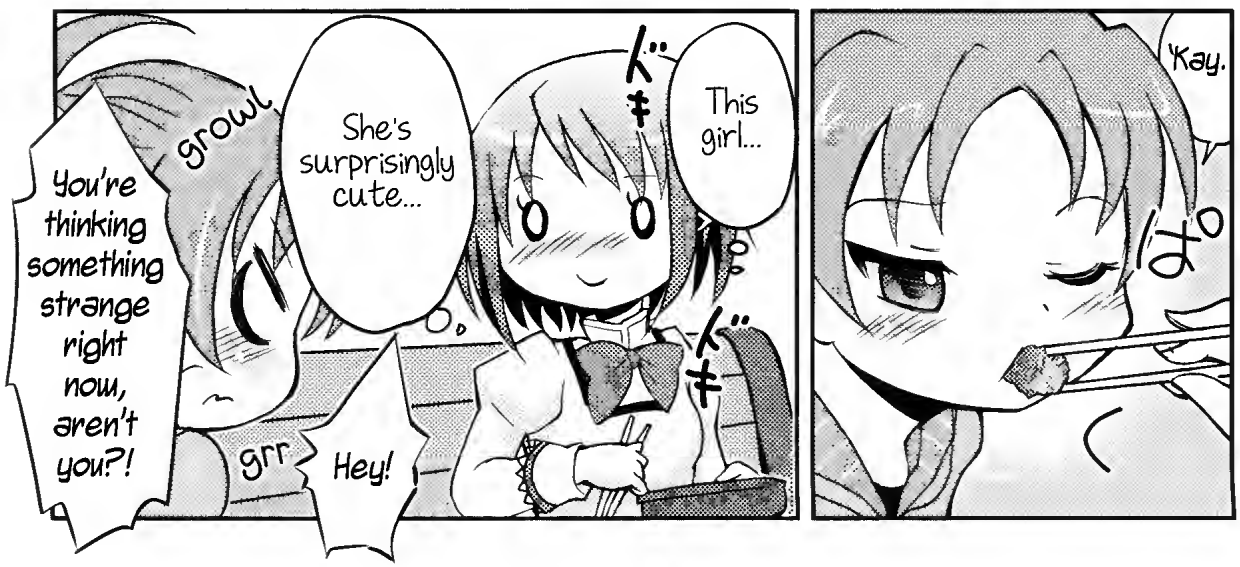
You know, I was pretty surprised.
I never thought I'd end up being the one protecting you.
ぽん
Yeah...
...
ATM
I really have changed a lot since then...
Well, I could always get some more...
Tch,
is this all I have left...?
I am a Magic Girl after all.
It's not like I'd be doing anything wrong...
...

So that's how it is. It's wrong, but...
I may have changed my mind about you.
SPIN
grip
Sigh...
I wonder what's up with me...
I swore from then on would live only for myself...

Ah...
drop...
ポロ
Geh!
Kyou-ko!
It's still too damaged...
Your arm hasn't healed yet.
It'll be bad if you move it too much.
Even if you say that I...
SWIPE
Ah! I was eating that...

Huh...?
Say "Aaah~"
Here.

Quit complaining and just eat, got it?
It's embarrassing for me too, you know?
Hey... That's embarrassing, what're you thinking.



growl
You're thinking something strange right now, aren't you?!
She's surprisingly cute...
This girl...
ドキ
ドキ
grr
Hey!
'Kay.
ぱ

What's the matter?
Just leave me alone, okay?
Ah...
I'm fine, really...
Huh...?
For you to get hurt by just a Witch's familiar...
That's not like you at all.
Th... That's just because it caught me off guard.
But...
I can tell you're lying...
We're friends after all...

That's right...
...
We're already...
the best of friends.
It... It's just that...
That's not it I just...
S-Shut up!
She's so cute!
Kyaaa!
Oh my, why's your face so red?

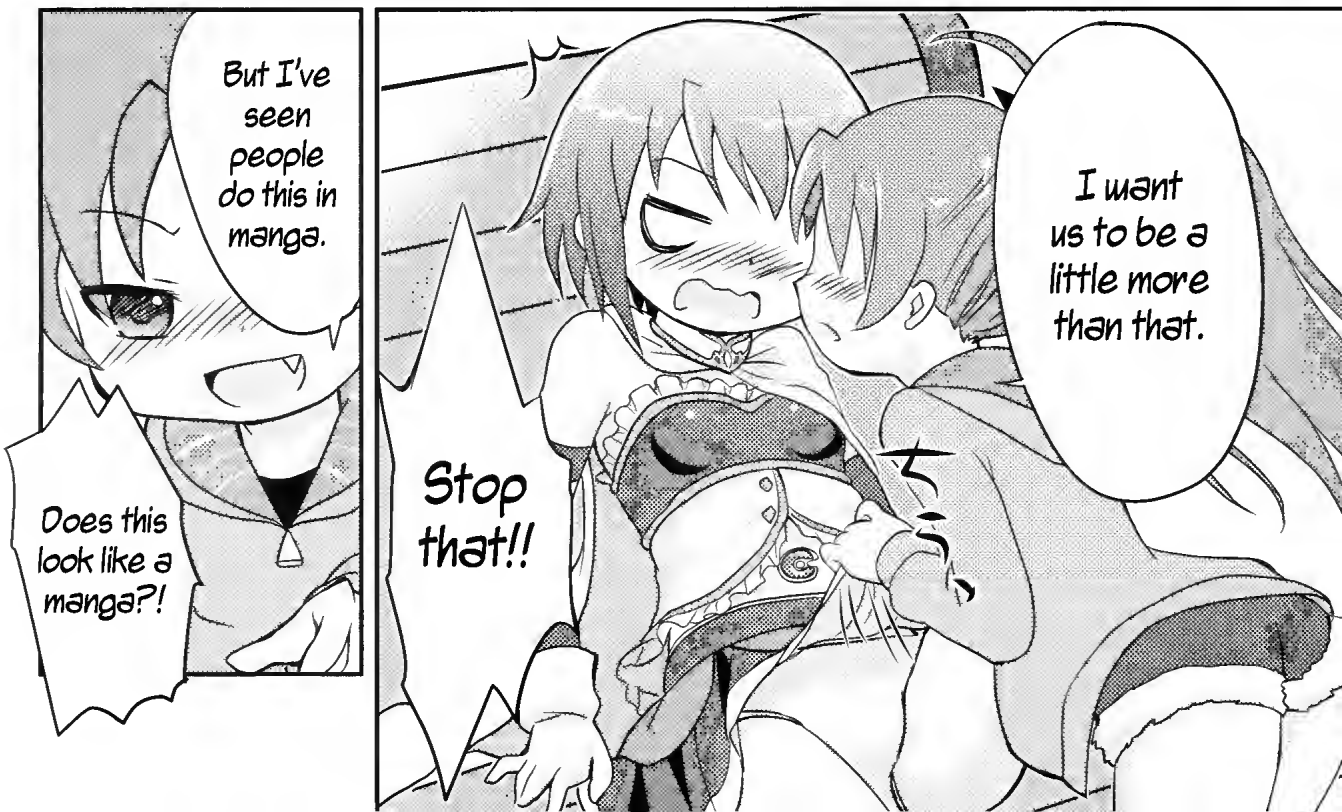
I could really go for a second helping!
This wasn't very filling.
Oh, this girl...
I don't have anymore and how did you finish so fast, are you chewing properly?
Eeeh ?!
Be quiet! What are you, my mom?
I don't have anymore food...
But...
I splurged a little and got this!!
You always have to have dessert after dinner, right?!
"Aaaaah!"
Are you trying to mess with me?!
Ah...
I'm fine, just let me eat it by myself...

Watch it!
What the...?

Aaaah~ My uniform...
If I don't hurry it's going to stain.
Ah...! Hey...!!
Eeh...?!
Wha...?
What are you doing?!

Wait a second...
You know, it tastes pretty good this way.
Hyaah! No, sto...
What, did you want it to spoil?
Wow... What is she, a dog...?

Yeah, I did, but why say that now...
...You said we're friends, right...?
But...
Sayakaaa!
Wait, stop...!



But I've seen people do this in manga.
Does this look like a manga?!
Stop that!!
I want us to be a little more than that.

What happened to that resistance from before?
...
...You shouldn't... do things like that.
And yet it still feels so good...
Hmm?
Well...
that's because ...
there's nothing here left for me anyway...
Kyou-suke...
You're wrong!

It's like I said before.
I see...
...
Nothing good will ever come of it.
Magic isn't supposed to be used for other people.
What I mean is...
But, it's already too late for the both of us, so maybe we could...

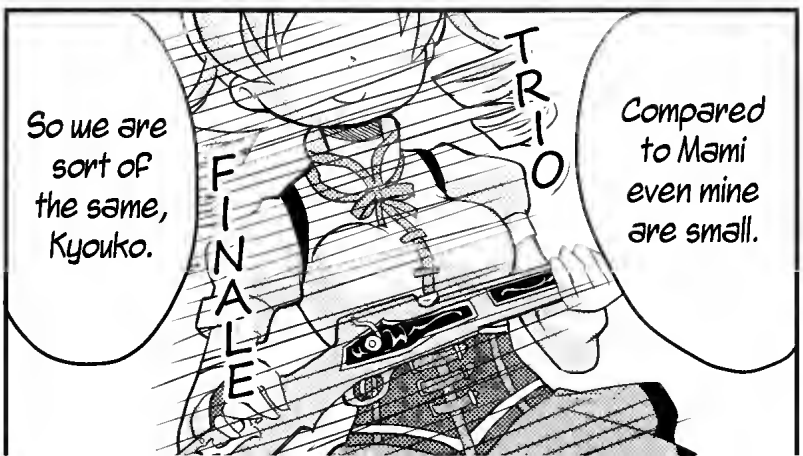
Wha...
We can forget the bad times with things like this.
Hey! This is a public park...!
Don't worry about that, I set up a barrier so no one would bother us.
Where are you...?
Sayaka-chan!
No, it's definitely still a problem!
Is the problem that I'm still watching?
Eh?!
...
Eeeeh?! Why would you think that?!
Sorry, I just thought you'd like to do it out here.

It's a crime to be outside like this, you know?
What ...?
...
How about if I take off mine, too?
Huh?
Why would that make it better?!
Though, I guess you really don't have much to hide even with your top off...
And now... I'm the same as you.
Y... You dummy...

Hey, that hurts ...
I'm just still growing, that's all...!
Yours are just too big, Sayaka ...!

Mami's, huh...
ぴ
ト
Hmm?

Sorry, Sorry. But...
I kinda want to suck them...
you don't really need to worry about it...



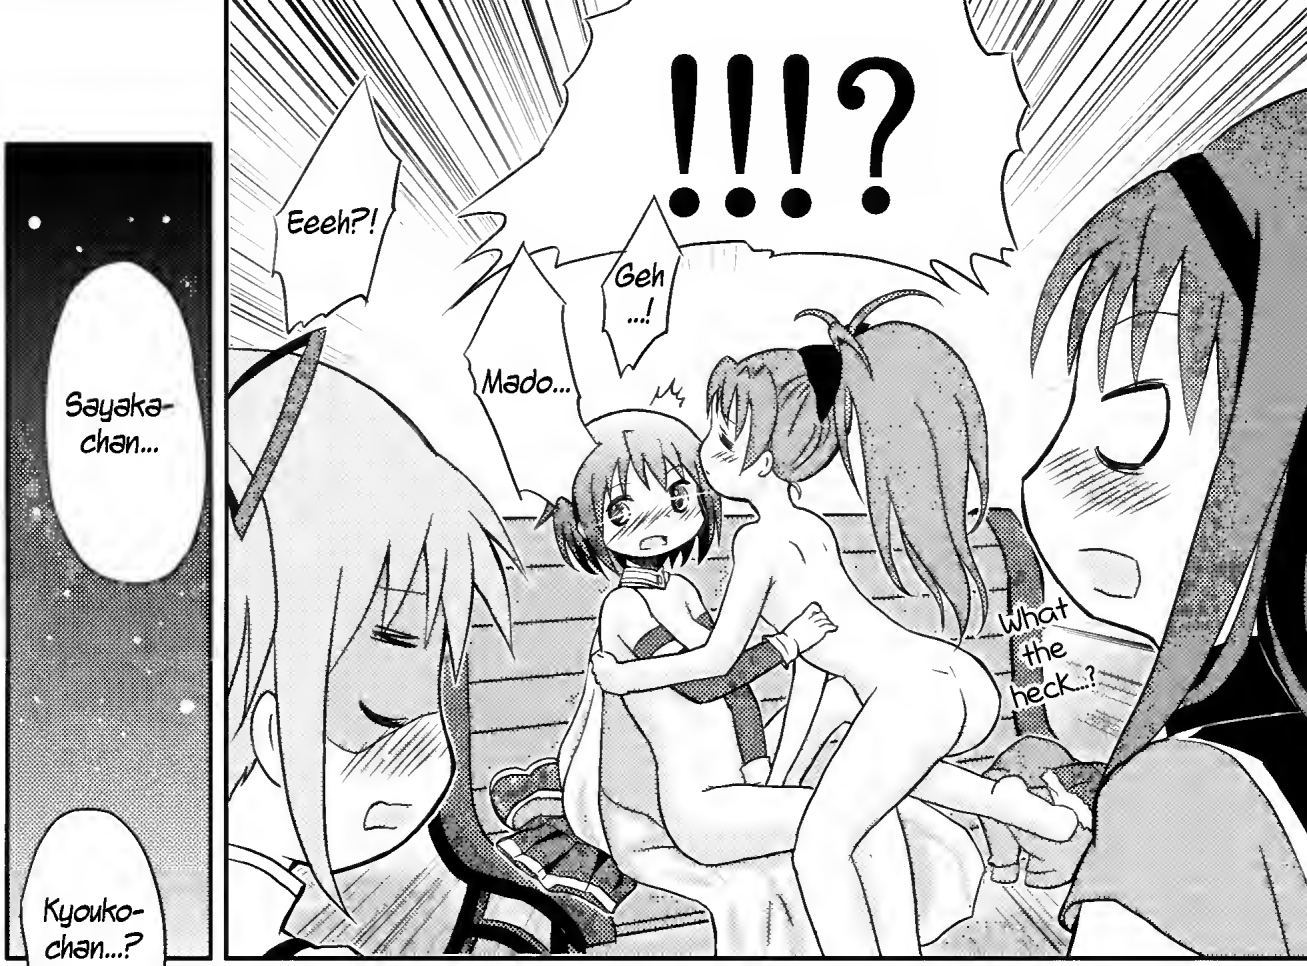
TRIO
FINALE
Compared to Mami even mine are small.
So we are sort of the same, Kyouko.

...Ooh.
Guess you're right.
I'm kind of an idiot for caring so much about my chest size.
I'm worse than you in every way, huh?
Just what are you saying...?!
Kyouko?
Damn...
I really am stupid... It's just that I've never had much of anything, and I always lose what little I get...
Oh, Kyouko...

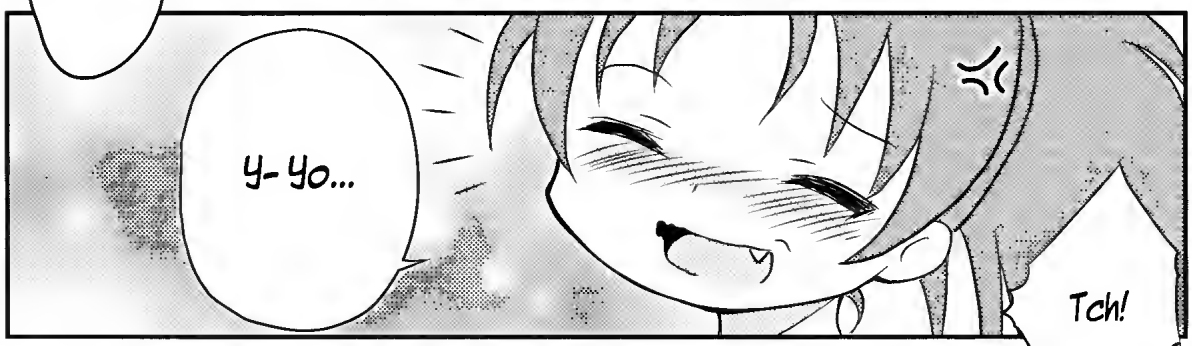
Sorry...
I never knew how painful it's been for you...
...
If we... could be together...
...It would be nice...
and forget about all those sad things...

Sayaka aaaa...!
Kyouko...!
In this way we...

used love to heal those jagged wounds...
And learn how much we meant to each other.
Miki Sayaka should be close by.
Thank you, Homura-chan.
And I sense someone else as well.



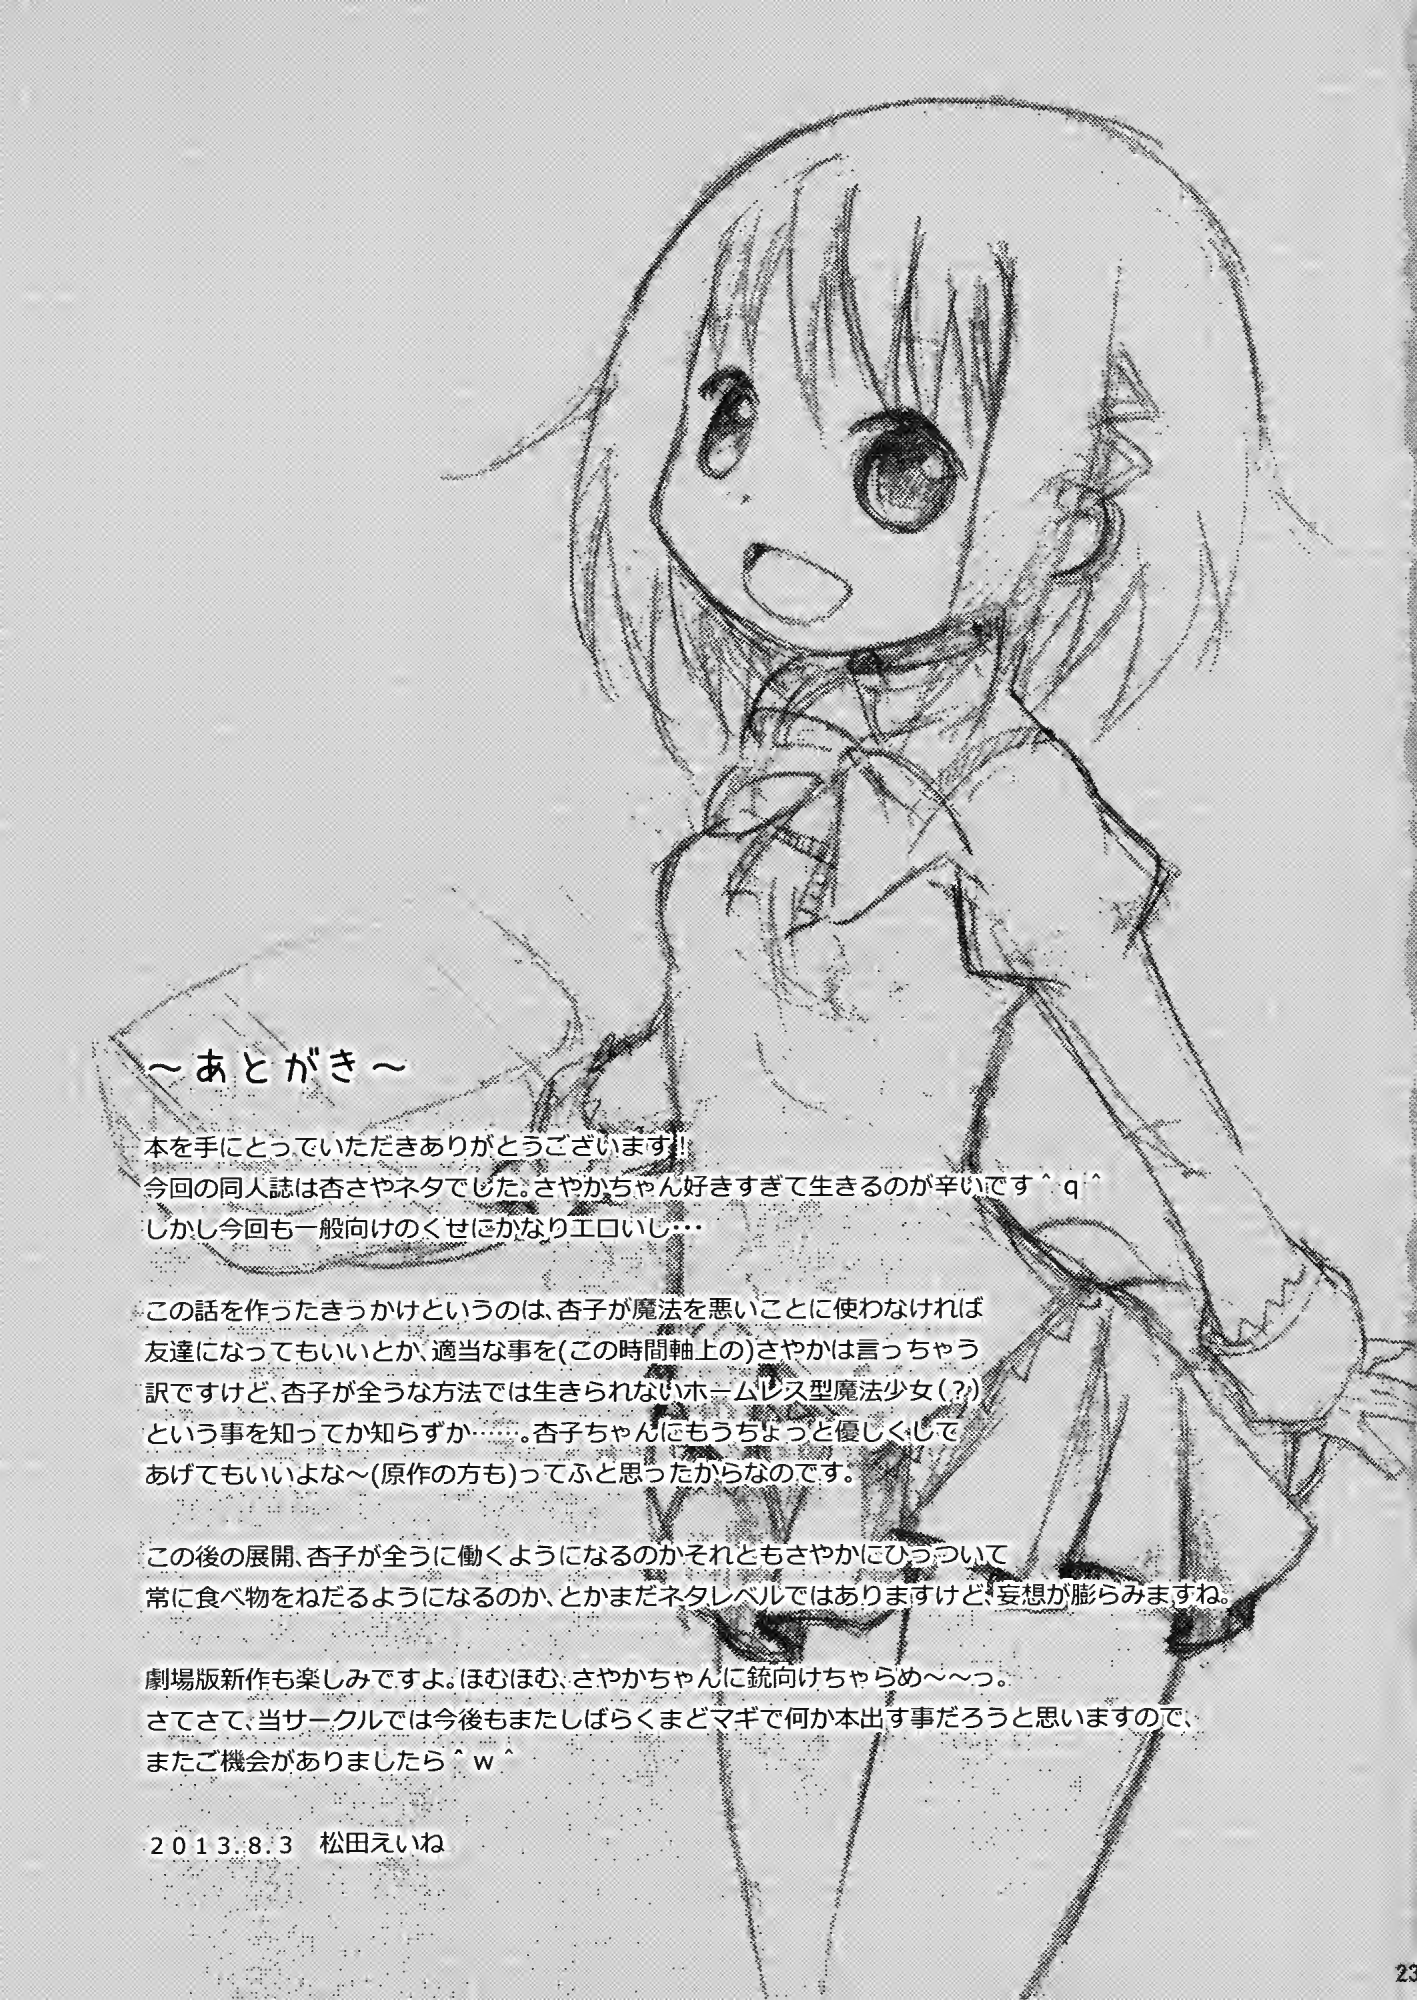
!!!?
Eeeh?!
Geh ...!
Mado...
What the heck...?
Sayaka-chan...
Kyouko-chan...?



Y-Yo...
Tch!

Madoka, nooo, don't look~!
SPIN TURN
Yeah.
you should just give up on Miki Sayaka...
Like I said,
Really... You're not even trying to deny it!
Could you guys learn to read the mood a ittle bit?

The End



～あとがき～

本を手にとっていただきありがとうございます!!
今回の同人誌は杏さやネタでした。さやかちゃん好きすぎて生きるのが辛いです＾ｑ＾
しかし今回も一般向けのくせにかなり工口いし…

この話を作ったきっかけというのは、杏子が魔法を悪いことに使わなければ
友達になってもいいとか、適当な事を(この時間軸上の)さやかは言っちゃう
訳ですけど、杏子が全うな方法では生きられないホームレス型魔法少女(?)
という事を知ってか知らずか……。杏子ちゃんにもうちょっと優しくして
あげてもいいよな～(原作の方も)ってふと思ったからなのです。

この後の展開、杏子が全うに働くようになるのかそれともさやかにひっついて
常に食べ物をねだるようになるのか、とかまだネタレベルではありますけど、妄想が膨らみますね。

劇場版新作も楽しみですよ。ほむほむ、さやかちゃんに銃向けちゃらめ～～っ。
さてさて、当サークルでは今後もまたしばらくまどマギで何か本出す事だろうと思いますので、
またご機会がありましたら＾ｗ＾
